Dear Dr. Jo:

The International Association of Hispanic Meetings Professionals (IAHMP) members and supporters were thrilled with your Keynote presentation during our 7th Annual Conference “Knowledge Is Power: Understanding the Hispanic Meetings Market” held at the Riviera Hotel & Casino.

Your presentation, Under the Table Rules: Knowledge is Power will help everyone to understand how Hispanic values drive behavior and influence communication styles in the workplace. Your dynamic message was just what we needed to bring a better awareness of the Hispanic community within the meetings and hospitality industry.

Hispanic women in your audience were so impressed with you and very proud to have you represent them with your wonderful talent as a professional speaker. Written comments on the evaluation forms included the following testimonials: “Fabulous! Really inspiring” – “Fantastic energy and delivery” – “Challenging and exhilarating advise” – “A dynamitic presentation” -“A smashing program and a great way to start your conference.”

My personal thanks for an outstanding presentation!

All the best,
